USE THIS PICTURE FOR INSPIRATION.**

The image is a reproduction of the painting 'The Starry Night' by the Dutch painter J.M.W. Turner. It depicts a coastal town at night, viewed from a high vantage point. The sky is filled with vibrant, swirling patterns of light and dark blue, punctuated by numerous bright, glowing yellow stars. A prominent, dark, jagged silhouette of a church steeple stands on the left side of the foreground. The town below is rendered in dark, muted tones, with a few lights visible from the buildings.

Colors and tones

30 second Vocabulary Challenge:
How many colors and tones
can you come up with?

The image is a colorful mandala, a form of geometric art. It features a central point from which multiple layers of shapes radiate outwards. The colors are vibrant and varied, including shades of red, orange, yellow, green, blue, and purple. The overall effect is a complex, symmetrical pattern that is both visually striking and intricate.
